

# SAVE THE DATE FOR MAKE A DIFFERENCE MONDAYS!

Make a Difference Mondays is a series for busy volunteers who want to use their skills, knowledge and passion to positively impact the next generation. This year's series will focus on the Essential Element of Mastery. This Essential Element is all about engaging youth in learning through a variety of ways.

This year, we will specifically look at engaging youth in the 4-H project, including events and activities, goal setting, and how to help youth apply for awards and recognition based on their project work.

A total of six sessions will be offered (1-hour each) on the third Monday of the month\*, at 7PM Eastern/6PM Central. You can participate online from the comfort of your own home, or attend a face to face session at a nearby Extension Office, facilitated by a 4-H Extension Agent. For more information, contact your local UF/IFAS Extension Office or <http://florida4h.org/madmondays>.

\*January's session will be held on the 25th, in observance of MLK Day.

**For more information, please contact:**
