What is County Events?

County Events is an event that provides youth an opportunity to share their projects through public speaking or demonstrations. In addition to the speaking contests, there is also Share-the-Fun.

In clubs, youth should be giving demonstrations and talks to practice a valuable skill for life. Winners from the various counties move to the District Contest May 6th in Citrus County. From District Events, all Blue Ribbon winners in the Senior Division will advance to 4-H University at the University of Florida to compete statewide for awards.

There are many resources on our 4-H website to help you prepare for the events. Visit <http://sumter.ifas.ufl.edu/4-H/EVENTS.shtml>

County Events provides a valuable teaching and learning event. Youth participating learn presentation techniques and receive feedback for improvement as well as recognition for their efforts.
