WELCOME TO SUMTER COUNTY

The country life awaits you on a visit to Sumter County! Eat fresh food, breathe fresh air, and enjoy livestock and wildlife roaming in acres of green pastures. Enjoy the simple pleasures of watching a horse show from under old oak trees.

Drive through wildflower lined country roads on the way to picking fresh blueberries or visiting a roadside farmer's market. On a visit to the livestock market you can watch cattle being bought and sold, blending an old tradition with new technologies.

Take a slow drive down one of our country roads to take in the 100 year old live oak trees, the sand hill cranes, the herds of cattle with their new calves playing together in the green fields. A visit to Sumter County takes you back to a simpler time; where you can savor the beauty and wonder of nature while experiencing the agricultural way of life.

Shhh!
