**September 24th** - Florida Friendly Landscape Series “**Caring for Palms**”  
Oxford Community Building 1:00 pm.

Plant Clinics are opportunities for residents to bring in plant samples and problems for diagnoses. Plant Clinics are not formal classes.

Master Gardeners and/or Extension Agents will be available during plant clinic hours.

Classes are approximately an hour in length, unless otherwise stated. Their purpose is to teach Sumter County Residents the “Florida Friendly” way to grow.

Registration is not required, unless stated. Arrive early to be sure to have a seat.
